

I HEARD YOU THE FIRST TIME...™

F Switch INV-FP

The low profile switch suitable for discrete tactical operations

Features

Best surveillance push-to-talk

Low profile design and light weight

Additional input can accommodate optional Remote Switches

Installs on chest or underneath clothing for discrete operation

TEA Products can be configured for practically any radio or intercom

TEA is an ISO Certified Company that manufactures and sells audio communication products directly to specialized end users such as U. S. Special Forces and Law Enforcement Agencies without involvement from resellers or independent reps. This policy and the unique and custom nature of these products have caused many Federal, State and Municipal Procurement Officers to qualify these as sole source procurements.
