

FAST II

Tactical 2-Wire System

Included

Comply™ A-100 Tip

Earpiece

The Fast II System is supplied with both foam tips and a non occluding ear mold. Both earpieces all for ambient hear-through and do not obstruct your hearing. It lets you monitor the receive radio signals while listening to ambient sound with the same ear.

Sound Tube

Transparent sound tube transports the receive signal from the neck mounted speaker to your ear.

Lapel Clip

Securely fasten your earpiece to your uniform or tactical vest

Lapel Microphone

Robust and durable microphone assembly with industrial strength tactical vest attachment clip

Mask
Integration

Tactical Body Push-to-Talk

The D-Switch is a 2" Round Push-to-Talk that was built for high impact operators and features a protection ring that prevents accidental transmissions
